THE ESSENCE OF NEW GENERATION

Choosing The Dynamic Virgo...

Bespoke Performance

With its delightful durability that withstands the most active and strained lifestyles, you can be sure of the perfection standards Virgo follows to the last detail. Whether it is the exotic and reclaimed wood or the finest cuts of Oak, Virgo laminates bring you timeless looks and rich graining of natural hard wood in just about any space.

Striving for Innovation

Always seeking to be at the forefront of laminates, Virgo laminates was born with the desire to create the best laminates in the world. Having rewritten the laminate rulebook, Virgo stands apart today with its exemplary engineering and craftsmanship that is a saga in itself.

Rich Sustainability

Deeply rooted in the Indian region, Virgo laminates has a long-standing tradition of working with natural raw materials. This suitably reflects in the vast experience and expertise of Virgo.

Welcome to VIRGO'S collection 2020 of elegant texture surfaces of laminates. It is inspired by requirement of Urban India and arts and crafts of present trend. This exceptional surface collection blends traditional and contemporary styles into a transitional collection that is classically proportioned, clean lined and timeless.

Incorporating VIRGO'S stylish approach to design makes it synonymous with elegance, quality and refined craftsmanship.

Whole collection is created with the concept of serving need of growing India, URBAN INDIA.

Impressive Achievements & Certifications

Virgo is the first company ever to be certified by Bureau of Indian Standards #IS:2046 for Laminates and Industrial Laminates with eleven classifications – CGS, CGF, HDS, HDF, HGS, HGP, HGF, VGS, VGF, VGP & VLS.
